- Mark Harris has served as a director since 2022. Mark is currently a member of the Risk Committee.

EXPLANATORY STATEMENT

Agenda Item 3 – Merger Resolution

The Merger will involve a total transfer of the business of Australian Mutual Bank Ltd (AMBL) to Teachers Mutual Bank Limited (TMBL) under the Transfer Act. This means that if the Merger proceeds, on the Merger Date:

- All of the assets and liabilities of AMBL will become assets and liabilities of TMBL (including all deposits and loans held by AMBL Members).
- The duties, obligations, rights and privileges that currently apply to AMBL will transfer to TMBL.
- TMBL Members will continue to be members of TMBL and will therefore not need to be issued with new TMBL Member Shares.
- AMBL Members will cease to be members of AMBL (except for existing AMBL Directors at the Merger Date, who will continue as members of AMBL until AMBL is deregistered as a company) and their AMBL Member Share(s) will be cancelled.
- All AMBL Members (other than any AMBL Members that are already TMBL Members) will automatically become members of TMBL and will each be issued a new TMBL Member Share.

- If an AMBL Member is already a TMBL Member (i.e. is a member of both organisations), that membership will continue and the AMBL Member will not be issued with an additional TMBL Member Share.
- All employees of AMBL at the Merger Date will automatically become employees of TMBL.

The practical effect of this will be that TMBL will become the Merged Bank and combine the businesses that were previously carried on separately by AMBL and TMBL. **TMBL as the Merged Bank will remain a 100% member-owned mutual bank.**

Recommendation

Your Board unanimously approves this proposal and recommends that you vote FOR this resolution.

Just like us, Teachers Mutual Bank Limited shares the same heritage, values, and commitment to putting members first.

Together, we have the opportunity to create a stronger, purpose-driven bank for the future.

By voting FOR the proposed merger with Teachers Mutual Bank Limited, you can help shape a more resilient and member-focused bank – one that brings even greater value to you.

As a member of Australian Mutual Bank, your voice and vote matter.

A FOR vote means:

More Branches with no closures

The Merged Bank will retain Australian Mutual Bank Ltd's six branches and Teachers Mutual Bank Limited's seven branches, giving members access to 13 locations across the ACT, New South Wales, Victoria and Western Australia.

Improved, faster Australian-based service. With all contact centre teams located in Australia – including extended support hours through our Perth team – we will continue to provide the high-quality service you expect.

Greater opportunities for employees

As a large and stronger bank, we will offer more career development opportunities for our people. We have committed to no forced redundancies as a result of the Merger, and all jobs will remain in Australia.

Lower fees and more value

Members will gain access to a broader range of competitive products and services, along with savings from lower fees and charges.

Remaining 100% member-owned

Following the merger, the Australian Mutual Bank brand will be retained and will operate alongside the Teachers Mutual Bank Limited brands – continuing our proud legacy as a 100% member-owned bank.

A stronger mutual bank

The merged organisation will be one of Australia's largest member-owned banks, with combined assets of \$13.4 billion and approximately 280,000 members.

Smarter, safer banking

Our increased scale will allow for greater investment in digital banking, including enhancements in fraud and scam prevention.

Banking for good

The merged bank will continue to operate on a profit-for-purpose model and will retain its B Corporation Certification.

This is an exciting opportunity to shape the future of our bank, taking forward our strengths and combining them with the strengths and scale of Teachers Mutual Bank Limited.

Agenda Item 4 – Benefits to non-transferring directors

Members are being asked to consider and approve the payment of amounts to directors who will not be transferring to the merged organisation.

These payments recognise the significant contribution and service of the non-transferring directors over prior years, including their governance oversight and commitment to the organisation. Each of the non-transferring directors have demonstrated strong dedication to Australian Mutual Bank Ltd, and served as Chairs or members of the Governance, Remuneration, Risk and Audit Committees, during their tenure.

The amounts also reflect that directors will be forgoing director fees that they would have been entitled to receive for the remainder of their board terms, which will not continue if the Merger is approved and implemented.

The payments are therefore a fair and reasonable acknowledgement of service and of remuneration that will not be received in the event their terms end due to the transition to the merged entity.

The Board emphasises that this resolution is separate from and does not affect, the outcome of the Merger Resolution. Member approval for the proposed director payments is not required for the merger to proceed.
